**TUESDAY 16<sup>th</sup> JULY 2019**  
**Easy Buy Stadium**  
**Barton Town Football Club**

# Welcome to the Easy Buy Stadium

Good evening everyone & welcome to the Easy Buy Stadium, home of Barton Town Football Club - a semi-professional team who play in the Premier Division of the Northern Counties East League.

This evening's match is about fund-raising for two of our local schools, Baysgarth School & Winterton Community Academy

Their Year 10 Pupils football teams go "head to head" to claim the Bay-Win Trophy & finish the school year on a high

To that end, both teams need your support once that whistle blows & the game kicks-off, so make a much noise as possible for your school team

There is also a raffle with a great prize to be won - so not only will the schools win - you can win too! Gate Funds today are being shared equally between each school

If the teams are level at the end of game, we go straight to a penalty shoot-out!

I hope everyone gets behind both teams tonight & has a fun-filled evening.

Best of luck to both teams from everyone here at Barton Town Football Club

EVERYONE is welcome at Barton Town Football Club & I hope some of you decide to come back to support & adopt the club during the 2019/20 season & enjoy further football with us

Enjoy the Game

Owen Taylor

(Barton Town Football Club Community Officer)

## Our Mission, Values & Vision

### Our Vision

Striving to be celebrated by the global education community for progress through collaboration.

Believing in the potential of our students and staff and cherished by the wider community.

Achieving successful outcomes through inspiration, innovation and empowerment.

### Our Mission

By 2022, Baysgarth School will:

Be a leading secondary provider of high quality teaching, learning and assessment, resulting in consistently excellent progress for students

Be the automatic choice for the communities we serve where students are healthy, happy and brilliantly prepared for the next stages of their lives

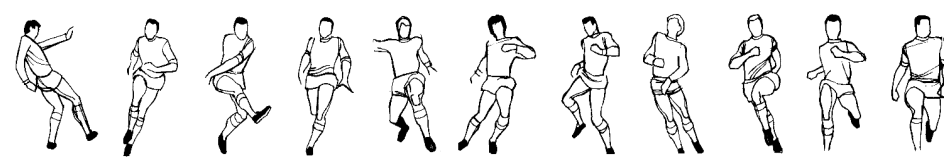

Be known for its ambitious leadership that promotes strong mental health and wellbeing and develops the skills and knowledge of every member of our community

Play a key role in building, developing and celebrating strong, tolerant community in and out of school that improves the life chances of our young people

### PRIDE Values

The school's PRIDE values and the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of people of all faiths, races and cultures are embodied within our curriculum.

Positivity  
Respect  
Independence  
Determination  
Excellence

## Mission Statement

It is the purpose of this Academy to do all that is possible, to ensure that our pupils are safe, happy and successful.

To ensure that all pupils maximise their potential to achieve personal success and fulfilment through the high quality provision of wide ranging learning opportunities in a challenging and caring environment. Pupils should also be treated with dignity, taught to treat each other with respect, feel safe, have a voice and be listened to.

### Values

It is our firm belief that the regard with which we are held by our parents and the community is significantly affected by the values we hold and operate as an organisation.

As a school we operate within the values of Respect, Positivity and Hard-Work. We expect all staff and students to live up to these values every day.

### Environment

We believe that a school should be a warm, nurturing environment where children and adults can thrive, by learning with and from one another.

Our environment will be inspired by the very best features of a Primary school. We believe that a school should inspire, excite and enthuse young people and that the environment should be a very special place to be.

Our building is a very traditional school building on the outside, but on the inside it is a place full of warmth and celebration with an environment which inspires to educate.

### Curriculum

We believe in giving our pupils choice and we are able to offer our pupils the chance to study a broad range of additional subjects including Sport/PE, Business and Computer Science, Product Design and Engineering.

### RONNIE BOOTH

Position: Centre Midfielder  
Favourite Team : Hull City  
Favourite Lesson : PE  
Hobbies : Dance
